House Appropriations Request FY 2011

Project Name: Business Incubator Renovation
Recipient: The Nussbaum Center for Entrepreneurship
Recipient Address: 2007 Yanceyville Street

Recipient City: Greensboro
Recipient State: North Carolina
Recipient Zip: 27405

Amount of Request: \$500,000.00

Explanation of the request:

The requested funds will be used to renovate a building that has been donated to the Nussbaum Center for Entrepreneurship in Greensboro, North Carolina. A new building owned by the Center would eliminate the possibility of closing or having to decrease the level of service provided due to increased rent payments. The Center currently houses 66 entrepreneurs, of which 58% are woman or minority owned firms.

This project is a worthy use of taxpayer funds because the new facility will assure the sustainability of North Carolina's largest incubator and help continue to drive job creation, diversify the regional economy, and attract capital investment to the Piedmont Triad.

In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.
